

Our vision as a couple is helping people come to the saving knowledge of our LORD JESUS CHRIST, through evangelism, discipleship, and biblical counseling. We, in our individual lives have experienced the grace of God onto freedom, and we enjoy seeing people break free from addicted behaviors and having a strong and growing relationship with Christ.

After we received His saving grace and calling upon our lives, we had a clear conviction to join UFM as full time career missionaries to fulfill our vision and passion for the lost souls of our generation.

We have been involved with UFM since 1994 and 1999 respectively, and we have been serving the Lord in various capacity in the ministry. We as a couple, are blessed with three beautiful daughters, Gloria, Jennifer and Priscilla. By His grace they are saved and are all schooling and we are trusting God for scholarship for their education. Jesus's words in Mathew 28.18-20 has been our greatest source of encouragement and motivation in ministry.

Beloved, truly the harvest is plenteous, but the workers are few. We would be grateful if you will consider partnering with us in this great commission of our Lord and Savior, Jesus Christ, through your prayers and giving. We will be committed to giving you update of what God is doing in and through us in the ministry of UFM. 1Cor.3:8 says, "The man who plants and the man who waters, have one purpose and each will be rewarded according to his own labor."

We would like you to partner with us in prayers and financial support in order to fulfil God's call upon our lives. If God is putting on your heart to partner with us, Please give us a call or sms us on this number: 07039208903.

My name is Rose .E. Uko. I am 48 years. By God grace, I have done some studies in different fields of education. Am married with three beautiful children.

I am a missionary working with Urban Frontiers Mission. I am passionate about the things that God is passionate about which is the souls of men. Winning them back to Him. Through this great ministry, (UFM) has helped me accomplish this passion by reaching out to people struggling with all manners of addictions, and are desperate in need of God's healing and restoration. I do this through evangelism and teaching of God's word, so that they will grow up in their salvation and be matured in their faith, and be reconciled back to their family and society.

My key verses are, Matthew 28:18-20 which says "...I have given you all authority in heaven and on earth. Go, then, to all peoples everywhere and make them disciples:....."

I am Eddy Nyong aka Baba missionary, I am an indigene of Akwa Ibom State. I'm married to Mrs. Rosemary Nyong, and we're blessed with three wonderful teenagers, Gloria, Jennifer and Priscilla. I have worked as a full time missionary with Urban Frontiers Mission in the past until it's closure in 2013, and now again starting with them this year 2018. My passion is reaching out with the love of God to the lost souls through evangelism and discipleship.

Jesus's words in John 9:4. ("I must work the works of him who sent me while it is day, the night cometh, when no man can wok," has been my greatest source of encouragement and motivation in ministry.

The Core Values of Urban Frontiers Mission

1. We believe that all human beings are created in the image of God and need salvation regardless of their spiritual, mental or social condition, realizing that Jesus did not come to call the righteous , but sinners and He was anointed by God to reach the poor, the oppressed, and those in bondage (Genesis 1:27, Romans 10:13, Matthew 9:12-13, Isaiah 61:1-2).
2. We believe that God has called us to be people of compassion, as Jesus was when he saw the harassed and helpless multitudes and compared them to sheep without a shepherd (Matthew 9:36).
3. We believe that as Christians we should be willing to forsake personal comforts and give sacrificially to those with material and physical needs such as food, clothing, shelter, vocational skills and medical care, realizing that faith without works is dead (James 2:14-17, Luke 9:58).
4. We believe that only the gospel of Jesus Christ can transform spiritually broken lives and as Christians we are servants of God entrusted with the responsibility to proclaim this message in order to rescue people from the kingdom of darkness (1 Corinthians 4:1, Jude 23).
5. We believe that once a life is transformed by Christ and reconciled to God, a person can overcome any kind of entangling sins or social disadvantages and live a productive life in the society , thus also being reconciled with men(1 John 5:4-5).
6. We believe that those who have been rescued from the devil's kingdom can be strategic instrument in God's hand to evangelize and disciple others (2 Timothy 2:2, Mark 5:19).
